Dear Mark,

Thank you very much for your letter dated June 19, 2006, and for the clarifications of the positions of County Parks contained therein. Your letter arrived just prior to the last Board Meeting and has been briefly reviewed by Board Members and distributed to all Association Members. We thank you for County Parks' attention and cooperation with the installation of a safety fence at Main Sail.

We look forward to your planned in-depth responses to the Association's letter of May 17, 2006, in the form of a meeting with The Sea Ranch Board and Association Members. In our previous letter we were indeed talking about a meeting with the Board and our Members rather than with the general public and other interested stakeholders.

Please feel free to call on my direct line (707-785-2028) to arrange a meeting once your additional research allows you to schedule such a gathering. It will be helpful to do so on a Saturday and to arrange it approximately two months before the meeting to assure good notice and good attendance. You are also welcome to call at any time to discuss issues if that would be helpful.

Yours sincerely,

  
John R. Fox
