

IMPORTANT 20**20** INFORMATION FOR ALL SEA RANCH ABALONE DIVERS AND GUESTS RED ABALONE SEASON CLOSED **UNTIL APRIL 2021**

Because poor environmental conditions have caused major reductions in northern California red abalone populations, the red abalone fishery is closed until April 2021. The Fish and Game Commission may approve a new Red Abalone Fishery Management Plan and determine whether or not the closure should be extended beyond April 2021.

2020 California MLPA Restrictions

- Do not disturb marine mammals in any areas.
- No marine life of any kind may be taken within the bounds of the Del Mar Landing State Marine Reserve (located between the Solstice and Fish Rock Hedgerows).
